For Those Desiring Membership

Four Fold Expectations

We welcome you to become a member of Saint Mark Lutheran Church and join our ohana in Christ. Membership in our Church family consists of professing the Christian faith in one accord as contained in the Holy Bible and understood through the Lutheran Confessional writings. We would like to extend a warm Aloha to you and your ohana and encourage you to continue your ongoing growth in your spiritual walk. If you are transferring from another Lutheran Church Missouri Synod congregation we would like to inform your previous church family of your desire to transfer your membership. If you are new to the Christian faith as taught in the Lutheran Church we would ask that you speak with Pastor Matt or an Elder of Saint Mark Lutheran Church in order to learn more about the Triune God and His desires for your life. This process is referred to as Confirmation and is a continuation of the new birth and life that God has given to each of us through the waters of Christian Baptism.

What follows is the Four Fold Expectations for our members. Those who have long been a part of the family of believers at Saint Mark are asked to revisit these expectations on a regular basis. In the same way, as someone considering membership at Saint Mark, we encourage you to identify where you are. You will have the opportunity within the context of our worship time to affirm your faith, your desire to become part of our congregation in Christ, and to live your life with an emphasis on these Four Fold Expectations.

Grow in Worship

The first three commandments emphasize the importance of securing our relationship to God. Jesus once said, "Seek first the Lord's kingdom and His righteousness and all other things will be given to you as well." It starts here...prayer, praise, and spending time in the house of God. For our sakes, God holds this value as His first expectation for His children.

Grow in God's Word

"The fear of the Lord is the beginning of wisdom and those who follow His teaching demonstrate good understanding." (Psalm 111:10) We have all known intelligent fools. God wants better for us. No matter our education, intelligence quotient, or life's honor, the Lord wants to impart wisdom leading to the best life has to offer. It comes through His Word.

Grow in Sacrificial Living

It is in giving that we receive. God's ways are not like the ways of the world. The world says, "take," but God says, "give." Christians who grow in service to others, in generosity, and in all understanding that the highest calling in life is to make a difference in eternal things, are the most blessed people on the earth.

Grow in Intentional Relationships

God made us social people. It is not good for people to live in isolation from others. God wants us to use our relationships to strengthen other Christians and to reach out to nonbelievers in an authentic display of love and good will. We are most like God when we live lives of intentional love towards others.

Treasures

The Lord has truly blessed each of us in so many different ways, caring for our bodies, our souls, and our families. Through Jesus Christ, He has given us forgiveness and life eternal. And through creation He continues to provide for all of our needs. As Luther reminds us, *“(God) has given me my body and soul, eyes, ears, and all my members, my reason and all my senses, and still takes care of them. He also gives me clothing and shoes, food and drink, house and home, wife and children, land, animals, and all I have.” He richly and daily provides me with all that I need to support this body and life.* (Small Catechism, 1st Article) It is such a wonderful opportunity that He has enabled us to live here on the island of Oahu surrounded by the beauty of nature and to be content with our many blessings. However we realize that all that we are given is meant to be used for God’s glory. Therefore as Stewards of God’s blessings we not only give of our time and our unique abilities, we also return to God the gifts of our finances. The guide we are given in scripture is to return to the Lord 10% of all that He has given to us.

As members of Saint Mark Lutheran Church, we are continually encouraged not only to return to the Lord that small portion of what we have received, but to ask for the faith to do even greater things in our generosity. As a part of your Christian discipleship, take time each year and reflect on how the Lord has blessed you through your income and consider how you might be able to grow each year through your sacrificial giving to the Lord’s work, not limiting yourself to the opportunity of generous tithing to Saint Mark but additionally to other ministries that proclaim the Gospel throughout the year. Strive to be a cheerful giver in the Lord, reflecting how much you have received in your life.
